B120

Launch of the B145 yacht
April, 2022

Message from the CEO

Starting as a group of enthusiasts, Bering Yachts now is a large operation of passionate professionals. Like a family, we might disagree and argue, but we always remember our goal – give customers their best experience. Passion attracts people.

Owning a boat is a very emotional enterprise. One cannot stay unattached when crossing the deep blue sea. There are so many things to see, so much to experience! That is what we give to our customers – an ability to enjoy every moment of their thrilling rides in comfort and safety.

Alexey Mikhailov

President & CEO

June 2022

Bering Yachts in brief

Bering Yachts creates a new caliber of a vessel: recreational steel boat that provides an unequaled level of luxury, capability and safety. Taking design cues from proven oceangoing commercial trawlers, these yachts can cross any ocean comfortably, securely and with a minimal number of stops. We blend comfort and reliability to withstand any forces the nature can bring.

We are special. Being a full production cycle, we develop a concept, manufacture the boat in-house, and then equip it with our own luxury furniture. Bering Yachts satisfy even the most meticulous client, and our customer service truly is second to none.

Exteriors

The Bering 120 yacht is a vessel not only built to explore, but to push the boundaries of yacht design for uncompromised experiences at sea.

An innovative rethink of a traditional superyacht layout results in a vessel teeming with features usually reserved for much larger yachts - from the helipad on the foredeck to the dedicated owner's deck, impressive storage capacity, and adaptable beach club area.

Combined with excellent seakeeping and a range of 4000+ nm, the B120 is one of the most capable luxury explorer yachts in her class.

Interiors

The B120 offers owners the option of a unique general arrangement: three double cabins on the lower deck, two VIP cabins on the main deck and the entire upper deck dedicated to the private owner's apartment.

The special beach club is a feature rarely seen on a yacht in this size class. The elevated beach club with foldout doors allows the space to be used as an additional flexible living area while underway.

Innovative naval architecture solutions make the B120 incredibly versatile. Utilize the large exterior spaces and smart storage areas to equip the yacht with toys and tenders, or opt to expand living and entertainment areas.

In addition to generous living spaces spread over four decks, the additional volume ensures that the B120 is an explorer yacht equipped with everything required to cruise in comfort, safety and satisfaction in the world's most remote destinations.

Brief Specifications

Length Overall (LOA)	37.42 m (122')
Length Waterline (LWL)	35.29 m (115')
Maximum beam	9 m (29'5")
Maximum draft	2.33 m (7'6")
Displacement Full Load	375 mT (826.725 lbs)
Fuel	65.000 L (17.171 gal.)
Fresh Water	8.000 L (2.133 gal.)
Cruise Speed	10 knots
Maximum Speed	13 knots
Range	4.000+ nautical miles (Cruise Speed 10 kn)
Guests	12
Crew	9
Tender length	5 m (16'4")
Certification	Classification society upon request
Classification	Pleasure class / Charter class
Hull Type	Full Displacement
Material	Steel + Aluminum
