B145

Launch of the B145 yacht
April, 2022

Message from the CEO

Starting as a group of enthusiasts, Bering Yachts now is a large operation of passionate professionals. Like a family, we might disagree and argue, but we always remember our goal – give customers their best experience.

Owning a boat is a very emotional enterprise. One cannot stay unattached when crossing the deep blue sea. There are so many things to see, so much to experience! That is what we give to our customers – an ability to enjoy every moment of their thrilling rides in comfort and safety.

Alexey Mikhailov

President & CEO

June 2022

Bering Yachts in brief

Bering Yachts creates a new caliber of a vessel: recreational steel boat that provides an unequaled level of luxury, capability and safety. Taking design cues from proven oceangoing commercial trawlers, these yachts can cross any ocean comfortably, securely and with a minimal number of stops. We blend comfort and reliability to withstand any forces the nature can bring.

We are special. Being a full production cycle, we develop a concept, manufacture the boat in-house, and then equip it with our own luxury furniture. Bering Yachts satisfy even the most meticulous client, and our customer service truly is second to none.

Exteriors

The Bering 145, a 45-meter superyacht. This 45-meter superyacht is the new flagship of the Bering Yachts fleet.

This transoceanic model combines elegance, speed, and the latest technology.

Bering 145 is fully customized yacht. Designed by an in-house team of naval architects and engineers, it has a full displacement steel hull of 514 metric tons.

The superyacht can be equipped with a hybrid propulsion system. The propeller is driven by electric motors charged by a bank of batteries.

Interiors

On the main deck is a huge saloon with a dining area for 12 persons as well as a lounge area. The lower deck includes 32 square meters of storage space for equipment such as water toys and spare parts.

The master stateroom is located on the main deck toward the bow with glass windows measuring more than 9.5 square meters. Additionally, there are five guest rooms.

On the flybridge is a SPA zone, bar and gas grill, among several luxurious amenities.

The Bering team looks forward to helping you design your own customized version of the Bering 145 so you can have the yacht of your dreams.

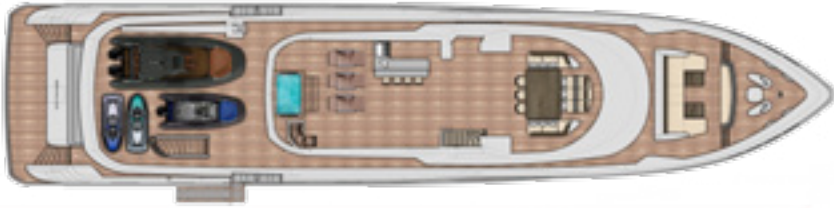

Brief Specifications

Length Overall (LOA)	44.20 m (145")
Length Waterline (LWL)	42.30 m (138"7')
Maximum beam	9.7 m (31")
Maximum draft	2.70 m (8"8')
Displacement Full Load	514 mT (1133.164 lbs)
Fuel	97.400 L (25.265 gal.)
Fresh Water	13.700 L (3.615 gal.)
Cruise Speed	12 knots
Maximum Speed	15 knots
Range	4.000+ nautical miles (Cruise Speed 12 kn)
Guests	12
Crew	9
Tender length	7 m (22"97')
Certification	Classification society upon request
Classification	Pleasure class / Charter option
Hull Type	Full Displacement
Material	Steel + Aluminum
